Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- OK to film at Ernest E. Debs Park FROM 12/7 – 12/10 5AM-7PM.
- Okay to have barricades, and brandishing weapons.
- No trucks past fork in road leading up to lake.
- Okay to use gators and golf carts to unload equipment by lake past the fork in road.
- All trucks leading to lake must be parked to the side of the road before fork in road.
- Okay to have picture vehicles by the lake.
- Large production trucks may not enter/exit the park between 10pm-7am due to residential streets.
- Large production trucks ok to enter at 7am and must be out by 10pm unless signatures are obtained from residents.
- Company must maintain safe path for walkers.
- May not cut any branches, dead or alive.
- Gate leading to pond area must be closed or monitored at all times.
- Must allow maintenance access thru all areas of the park, lower and upper pond areas.
- May not block access road leading up to pond at any time.
- Must allow maintenance vehicles and personnel up road to pond.
- Must work around all existing park patron activities.
- May not drive on the grass at any time.
- OK to park working trucks in the parking lot. Leaving parking spaces closest to entrance for park patrons.
- Co. must maintain a 20' emergency access lane open at all times in the parking lots at Ernest Debs.
- May not block or restrict access to any parking lot at any time.
- No heavy equipment or vehicles allowed on grass at any time.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.

NOT A PERMIT

- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
- MUST adhere to Monitors instructions at all times. Monitor's instructions or judgment may override written guidelines.
